#### Quick Face & Eye Cleanser 3-in-1 (500 ml | PH7061)

Quick and easy make-up remover for face and eye zones. Cleanser, toner and eye make-up remover in one.

#### Bi - Phase Make-Up Remover (125 ml | PH10510)

It is a make-up remover for all water proof make-up. Make-Up Studio specially designed it for the colorproof series. Combination of an oil phase & a water phase result in quick & soft cleansing. Shake well before using.

#### Day & Night 24 Hours Creme (60 ml | PH7050)

Moisturizing base and nourishing care for all skin types.

#### Perfect Skin Lift (30 ml | PH7040)

The Perfect Skin Lift is developed for firming the face and eye contours. Ideal for mature skin. Do not use it on puffiness.

#### 2-Way Gel (9 ml | EK0677)

An eyeshadow base & glitter gel in one product.

A gel base which provides long lasting result for the eyeshadow. The gel can also be used as a "carrier" for applying the Glimmer effects compactly.

#### Fix it (200 ml | PH7070)

The Fix It Spray is the secret of every make-up artist and a valuable addition to your make-up vanity. The spray preserves the make-up by spraying a fine mist causing the make-up to melt into the skin and bringing back the natural glow.

#### Make-Up Fixer (100 ml | PH7071)

For the fixation of make-up. This Make-Up Fixer will keep the make-up look completely smudge-proof & waterproof.

#### Pre Base (35 ml | EK0652)

A non-oily formulation for smooth and long lasting make-up. Acts as a primer for all skin types. For extra dry skin, one can use a moisturizer before Pre Base.

#### Face Prep Illuminating Primer (35 ml | EK10953)

The Face Prep Illuminating Primer offers everything; hydration, care and protection. The primer contains SPF 30 and vitamin B for optimal protection against the sun and free radicals. Use the Face Prep Illuminating Primer before applying foundation, allowing your make-up to last longer and you'll get a smooth canvas, ready for a beautiful make-up.

#### Strobe-It Cream (35 ml | EK10960)

This ultimate moisturizer brightens and illuminates your skin by welcoming your best features to the spotlight of healthy looking skin. A light cream with pearly finish. The easiest way for a dewy skin look.

### DD Body Miracle Cream (100 ml | PH10956)

After the BB and CC 'hype' this magical Dynamic Do-all cream is revolutionary! Success guaranteed: must have DD cream for all women because of its magical solutions:

- SPF 15
- Waterproof
- Moisturizing
- Evens look of skin tone & texture
- Long lasting
- Rub proof, no stains on clothes
- Quickly absorbing
- No redness and less fine lines

Available in 1 shade: Natural

### Eye Primer (2.5 ml | EK10706)

The skin-coloured primer is the ideal base for eyeshadow. It takes away the red and dark tones of the eye lids giving an even base for eyeshadows. Contains vitamin E (anti-aging).

### Lip Primer (EK10707)

The Lip Primer enhances the colour intensity and gives a long-lasting result. The Lip Primer nurtures your lips thanks to the hydrating ingredients. Apply a thin layer for the best lipstick result.

“We declare  
your **face** as  
our **canvas**”

#### Kabuki Brush (3010)

It is a perfectly shaped, firm and extremely soft brush. Ideal for an even application of loose powders or compact powders plus bronzers too. This is a synthetic brush, hence very easy to clean.

#### Black Label Brush Set Medium (3100-M)

A perfect basic set of brushes. Comes in lovely pouch. It has a large powder brush, blusher brush, foundation brush, eye shadow applicator, small eye shadow brush for contouring, angled brush, lip liner and filler brush, an eye liner brush and a brush for grooming the brows. An absolute must have for beginners and well suited as an add on to existing brush sets.

“The creation  
of beauty  
is art”

### Black Label Brush Set (19 Brushes | 3100)

An extraordinary brush set with its essential brushes.

#### Facial Cleansing Sponge (PH10050)

This unique and latex free sponge does not crumble. The Facial Cleansing Sponge needs to be moistened before use to guarantee optimal cleansing of the face.

#### Perfect Blending Sponge (PH10030)

The Perfect Blending Sponge is ideal for applying and blending foundation and concealer. Wet the sponge before use and then squeeze it well.

#### Wedge Sponge Block (PH10045) 8 pcs.

These triangular shaped sponges are reusable and makes the blending process very easy.

#### Powder Puff Black (PH0506-L)

With this large powder puff you can press and set the make-up for smoother finish.

#### Powderpuff Black Small (PH0506-S)

Comes very handy when doing eye make. Can be slipped on any finger or the thumb. It prevents finger print marks on the base or disturbing and smudging of colors.

#### Pencil Sharpener (PH1096)

Pencil Sharpener with double knife for a guaranteed sharp pencil.

**Concealer (4 ml | EK0646)**

1(black)

2(brown)

**Mascara Waterresistant Volume (7.5 ml | PH0311)**

The Mascara Waterresistant Volume has everything your lashes need. A bright and elastic film wrapped around the lashes makes them water resistant and on top creates volume. The result: a fashionable look, comfortable to wear, perfect for every occasion.

**Mascara Ultimate Curl (8 ml | PH10731)**

This mascara gives lashes visible lengthening and volume by just one single layer. with special formula lashes get more volume and natural curl is enhanced. The mascara is easy to apply and to remove.

**Mascara 3D Waterproof Extra Black (9 ml | PH10733)**

Just one layer of this mascara gives lashes a true "wow" factor. This mascara gives lashes extra volume, ultimate length, a nice curl and is also waterproof. The special technology ensures soft and nourished lashes.

**Mascara False Effect 4D Extra Black (8 ml | PH10701)**

Deep dark black mascara, which thanks to the 4D technology ensures optimal volume, ultimate length, a beautiful curl and perfectly separated lashes. Highly recommended for a wonderful evening makeup.

**Mascara Ultimate Length (8 ml | PH10734)**

This superb mascara provides a solution for short and thin eyelashes. The fibers attach themselves to the tips of your lashes without clumping. So they look natural, striking out longer and thicker.

### Airbrush Package - 1 (Mini Air Compressor + Airbrush Pro)

It is a quiet, oil-less piston air compressor, which can also be used very well on location. This model has both a pressure adjustment knob and a pressure gauge, hence providing a great control of airflow. The package is easy to store and also features an airbrush holder. The Airbrush Pro Gun has a futuristic design, functionality & technology. This is a double action airbrush for universal application.

- German quality
- Innovative lever mechanism
- Lever with gold-plated eccentric
- Self-centering socket-type nozzle 0.2mm
- Easy to clean & maintain
- Excellent cost/performance ratio

### Airbrush Package - 2 (Air Compressor Autostop + Airbrush Pro)

Quiet, durable and reliable.

This oil-less twin piston compressor has a 1/6 hp motor and quietly and effortlessly delivers up to 60 PSI working pressure which can be precisely regulated for any application. This fully automatic unit stops and starts as required. This helps in receding air demand and automatically reducing motor running time and also the heat buildup. The TC2000 includes moisture control system with deluxe pressure regulator and gauge along with automatic on/off via air pressure operated switch. It can be attached with upto 4 Airbrushes.

### Airbrush Package - 3 (Airbrush Compressor Beetle + Airbrush Ultra)

This package is an ideal unit for Airbrush Enthusiast. Comes with the Beetle Compressor & Airbrush Ultra Gun which offers users unparalleled precision and control. It can draw finest details and thinnest lines, our "Ultra-Fine Details Specialist". Featured with pre-set colour flow control and removable fluid cap. This package is compact and light, yet powerful for its size.

#### Salient Features:

- Zero-maintenance, oil-less diaphragm air compressor
- Preset maximum pressure: 30psi
- Smart Stop
- Detachable airbrush holder, power cord & plug
- Universal power adaptor: 100-240V, 50-60 Hz
- Pressure adjustable & 4M PU curly hose

**Spray On Air Foundation (20 ml | AB2020)**

A wide range of high impact pigments in an ultra-lightweight silicon based formula, especially designed for Airbrush. It enhances the skin tones, neutralizes the imperfections and gets a seamless finish in fewer steps.

**Spray On Air Pigments (20 ml | AB2023)**
